PAST EVENTS

Animal Rescue League Donation

A great big thank you is being sent out to our purrrrr-fect families for donating to the Animal Rescue League and Wildlife Center! Not only was food, blankets and other supplies obtained, but also almost \$40 was donated that will help defray the cost of needed medications and procedures for the animals! We would also want to thank Amanda Johnston and Parker for helping coordinate this donation drive and delivering these items to the animal shelter.

Games N' At Reward Day

YSWPCS students have visited Games N' At on Tuesday, December 22 2015. Students who have mastered the most objectives in their Accelerated Math Software were rewarded with a trip to Games N' At. Forty students enjoyed the endless arcade games and fun from 10:00 AM to 1:00 PM with pizza, chips and soft drinks. Students also played bowling, table tennis, air hockey, and Xbox games. There will be a similar trip in May for the high scores again.

FLL Grand Championship

On January 9th, 2016 the robotics team represented YSWPCS at the Western PA FLL Grand Championship at LaRoche College. Young Scholars competed on Robot Game and Core Values part in the competition. Thank you Young Scholars Robotics team teachers who are Mr. Balfali, Mr. Pek, Mr. Gurkan and Mr. Ors for all your help. We are very proud of our students who worked hard and will keep working for next year.
