

Hello, my name is Kim Blade-Lauve and I am the PTO Treasurer. I have two kids in YSWPCS, Jack, 2nd grade, and Viktor, 1st grade. I volunteered last school year for the Santa Work Shop, Board Game night, and Field Day. I am a working parent as well as pursuing college part-time, so my time for volunteering was limited, but what I could do was helpful.

This past year, I become more comfortable and met some wonderful parents to ease my journey in participating with the PTO. Now, I am taking on the challenge and helping the PTO with some of the executive responsibilities. I have ten years experience in management, where I learned the skills of managing a store and it's financial goals. 17 years total in the retail force.

Basically, I want to make a difference for my children, as well as other children, in their upcoming school year. What better way to accomplish this? I feel volunteering when I can and giving my opinions to the PTO is a good way to accomplish this idea. I plan on doing this job with integrity and honesty. Also, I plan on giving my opinions honestly and in the best interest of the children of the school.
