

Anthony J. Pacifico – Treasurer

Hello Everyone!

My name is Anthony Pacifico and I am a proud parent of a Young Scholars Kindergartner! My family and I are new to the Young Scholars school and we could not be happier to be part of this wonderful organization. My beautiful wife, Tracy and I have the pleasure of raising our two amazing children: ages 1 and 6. We enjoy spending time with each other whether that's just staying in to watch a family movie or visiting one of the many parks surrounding the Pittsburgh area. We look forward to our vacations to the Pocono's, Ocean City, MD, Outer Banks and other great beach locations every year!

I am currently a Real Estate Manager for a wireless infrastructure company in Canonsburg, PA. I manage a team of highly skilled Real Estate Specialists and Architectural/Engineering Project Managers. Before I had the privilege of leading my team, I was a Project Manager and Financial Analyst for that same company over the span of the last 5 years. Prior to moving to Pittsburgh from New Jersey, I was a Finance Professional working for a Wall Street Investment Firm for over 6 years. I began in the finance field directly out of Rutgers University in New Brunswick, New Jersey where I hold a Bachelor's Degree.

As I mentioned, my family and I are extremely excited and feel blessed to be new members of the YSWPCS! I look forward to spending time with everyone at the various school functions! Thanks for the opportunity to give back to our beautiful children!

Thanks again!
