

## **Connie Becker**

Hello, my name is Connie Becker and I am the new Secretary of the PTO. I am the mother of a 3<sup>rd</sup> grader at YSWPCS that has been with the school since kindergarten. My daughter's name is Rosemary(Rosie) and she is in 3A this year. In my career I am an adult outpatient therapist and work for a community agency. I have worked with TCV community services for the past 13 years and love the work that I do. My highest level of schooling is a graduate degree in social work from the University of Pittsburgh. Throughout the years I have been as active as possible with the PTO and school and enjoy the time spent with the students, faculty and families. I am looking forward to working with the PTO throughout the rest of the school year.
