Here at Young Scholars we know that the importance of reading extends far past the classroom. To show that we belong to a community of learners, the staff is welcome to participate in their own summer reading challenge! Everyone who participates will be rewarded with a free Rita's Italian Ice treat upon returning to school, and for every block/challenge you complete over the summer, your name will be entered to win 1 of 10 gift cards once we return to school. Happy Reading!
